Dear Mr. Hartsock:

This correspondence is in response to your Request for Additional Information (RFAI) for the above referenced report.

Regarding coordinated expenditures itemized on Schedule F, these expenses are telemarketing costs not communications. Telemarketing charges are calculated after the service is provided because they vary dependant upon the number of completed calls. The invoices for these specific expenses were mailed to our committee for payment during the time period of this report. We paid these bills on behalf of the campaign committee under the FEC Coordinated expenditure guidelines 2 U.S.C. 441a(d). These expenses have been properly recorded and paid within the required time frame.

Because the report did not change by our clarification of this matter, the report is not amended. Please note, no financial information changed in clarifying this matter.

I trust this response answers your inquiry. If you need further clarification please do not hesitate to contact me.

Sincerely,

Pat Huyck  
Director of Accounting
